

SBE QUALITY POLICY

SB Enterprises (Pvt.) Ltd. is a service provider company. We, at SBE offers quality management services to our customers, thus, primarily, we are committed to manage quality in our own processes as we are fully convinced that effective systems and continuous improvement can only lead us towards our vision.

We value our customer, so to meet their requirements we aggressively maintain and enhance our system's effectiveness through:

- Top management commitment.
- Operating lawfully.
- Motivating employees for continues improvement.
- Promoting a total business approach with a “Spreading the true spirit of quality” Philosophy.
- Customer feedback.
- Yearly internal audit.
- Implementation of modern management tools.

SBE management will continuously promote and reinforce its commitment to quality management by being an exemplary role model and by assuring quality management expectations and polices are published, communicated and well-known.
